(3) The provisions of the Scheme relating to disciplinary action against registered employers and registered dock workers shall not apply to any order passed by the Chairman under sub-clause (2).

(4) No appeal shall lie from any order passed by the Chairman under sub-clause (2).

(5) Notwithstanding anything contained in the Scheme, so long as an order under sub-clause (1) is in force, the Chairman may authorise the employment of unregistered workers directly by registered employers and payment to such unregistered workers directly.

54. Cost of operating the Scheme.—(1) The cost of operating the Scheme shall be defrayed by payments made by registered employers to the Board. Every registered employer shall pay to the Board such amount by way of levy in respect of reserve pool workers together with and at the same time as the payment of gross wages due from him under clause 39(5)(i), as the Board may, from time to time, prescribe by a written notice to registered employers. If considered necessary, the Board may require any registered employer to pay such amount by way of levy in respect of monthly workers at such rate as it may determine and the amount payable by way of such levy shall not be less than such amount as the Board may fix as the minimum payable by every registered employer.

(2) In determining what payments are to be made by registered employers under sub-clause (1), the Board may fix different rates of levy for different categories of work or workers, provided that the levy shall be so fixed that the same rate of levy will apply to all dock employers who are in like circumstances.

(3) The Board shall not sanction any levy exceeding hundred per cent of the estimated total wage bill calculated on the basis of the daily wage rate without the prior approval of the Central Government.

(4) A registered employer shall on demand make a payment to the Board by way of deposit, or provide such other security for the due payment of the amount referred to in sub-clause (1), as the Board may consider necessary.

(5) The Administrative Body shall furnish from time to time to the Board such statistics and other information as may reasonably be required in connection with the operation and financing of the Scheme.

(6) If a registered employer fails to make the payment due from him under sub-clause (1) within the time prescribed by the Administrative Body, the Administrative Body shall serve a notice on the employer to the effect, that, unless he pays his dues within three days from the date of receipt of the notice, the supply of registered dock workers to him shall be suspended. On the expiry of the notice period, the Administrative Body shall suspend the supply of registered dock workers to a defaulting employer until he pays his dues.

55. Arrears of dearness allowance, wages and other allowances.—In case of any revision of dearness allowance or grant of revised wages or other allowances, with retrospective effect, in pursuance of any award or recommendation of any board or body set up, or of any order made, by the Central Government, the Board may out of its funds, pay the registered workers, arrears up to the date of the award or, as the case may be, of the recommendation or order, if the Board so decides.

56. Provident Fund and Gratuity.—(1) The Board in respect of the workers in the reserve pool and the registered employers, in respect of their monthly workers, shall frame and operate rules providing for contributory provident fund. The rules shall provide for the rate of contribution from the workers and the employers, the manner and method of payment and such other matters as may be considered necessary:

Provided that the rules applicable to monthly workers shall not be less favourable than those relating to workers in the reserve pool.

(2) The Board shall frame rules for payment of gratuity to registered workers.

(3) The rules for contributory provident fund and gratuity shall be subject to the approval of the Central Government.

57. Dock Workers Welfare Fund.—Cost of amenities, welfare and health measures and recreation facilities for registered workers shall be met from a separate fund called Dock Workers Welfare Fund which shall be maintained by the Board. Contributions to this Fund shall be made by all registered employers at such rate as may be determined by the Board. The Board shall frame rules for contributions to, maintenance and operation of, the Fund.

58. Penalties.—A contravention of clause 40 shall be punishable with imprisonment for a period not exceeding three months in respect of a first contravention or six months in respect of any subsequent contravention or with fine not exceeding five hundred rupees in respect of a first contravention or one thousand rupees in respect of any subsequent contravention, or with both imprisonment and fine as aforesaid.

SCHEDULE I

[See Clause 2(2)]

Clauses or description of dock work and dock workers to which the Scheme applies—

- (1) Stevedoring work.
- (2) The following categories of stevedore workers:—
 - (a) Workers.
 - (b) Tindals.
 - (c) Hatch Foremen.
 - (d) Signallers.
 - (e) Tally Clerks.

SCHEDULE II

[See Clause 32]

The minimum number of days in a month for which wages are guaranteed should be assessed on the basis of average employment during the preceding 12 months according to the following procedure:—

- (a) Supposing an assessment is being made in the month of October 1966 the total number of gang workers in the reserve pool (including Leave Reserve Workers) as on 1st October 1965 and 31st October 1965 should be ascertained. The average strength, on the register, of these categories should be ascertained by adding the two figures and dividing by 2.
- (b) The total number of man-shifts worked by gang workers of the categories referred to in (a) during the month should be ascertained from the daily employment statistics.
- (c) The total number of man-days of authorised or unauthorised leave taken by the above workers should be ascertained. This figure should be divided by the number of working days in the month to ascertain the average number of workers away on leave.
- (d) The figures ascertained as in (c) should be deducted from the average obtained as in (a) to arrive at the effective strength of workers available during the month.
- (e) The figure of man-shifts ascertained under (b) should be divided by the effective strength ascertained as in (d). The figure arrived at will be the average number of days of employment during the month of October, 1965.
- (f) The above process should be repeated for the remaining 11 months from November 1965 to September, 1966.
- (g) The average employment figures for the 12 months should be added and divided by 12.
- (h) The figures arrived at in (g) above should be fixed as the minimum number of days for which wages will be guaranteed for the following 12 months ending 30th September, 1967.

The following example will illustrate.
